CUARTEL DE LA MISERICORDIA

A photograph of the Fuente de los Peces (Fountain of the Fish) in Parque Nicolás Salmerón. The fountain is a large, ornate stone structure with a central column topped by a golden sculpture. It features two large white fish sculptures on either side of the central column, with water flowing from their mouths. The fountain is set in a circular area with green grass and red flowers. In the background, there are several multi-story buildings, including a prominent yellow one with a curved facade. A white van and a bus are visible on the street.

FUENTE DE LOS PECES
Parque Nicolás Salmerón

A photograph of the exterior of the Centro de Interpretación Puerta de Almería. The building has a modern facade with a large, golden sign that reads "PUERTA DE ALMERÍA" in blue letters. To the right of the sign is a circular emblem featuring a fish and the text "CENTRO DE INTERPRETACIÓN". The building is surrounded by palm trees and a paved sidewalk. A person is walking on the sidewalk in the foreground.

Monumento al Ke mero

Parque Nicolás Salmerón. Pulmón verde de la ciudad. Con arboledas centenarias, que otorgan una deliciosa y fresca sombra al paseante. La cercanía del puerto le da a esta zona un inconfundible olor y sabor marino.
