A photograph of Plaza de Gaudi. In the foreground, there is a paved walkway and a grassy area. A fence made of vertical, colorful poles (red, yellow, blue, green) runs across the middle ground. Behind the fence, there are several trees with green foliage. In the background, a multi-story building with a reddish-brown facade is visible. The sky is clear and blue.

PLAZA DE GAUDI

A photograph of Plaza de Gaudi. The scene is dominated by lush green trees in the foreground and middle ground. A wooden bench is positioned on a paved path. In the background, a paved plaza area is visible, with more trees and a few parked cars. The lighting suggests a bright, sunny day.
